MESSAGE FROM THE CHAIRMAN

Every idea of yesteryear is a **seed**.
A seed that is **nurtured** in the moment,
until we see its future **fruition**.

Our story begins with a simple idea of improving the quality of life through a series of quality household and sanitary products and services within affordability.

For more than three decades, our commitment and spirit has been established through an extensive journey of twists and obstacles that challenged our strength and synergy. Today, with continuous hard work, dedication, integrity, as well as full support from our stakeholders, we have taken Aditya Sarana Graha (ASG) further by demonstrating its capacity to keep innovating and improving.

Our capability and consistency in manifesting our noble values while maintaining trust has finally led ASG to a well-integrated distinguished corporate group that provides the leading products and services in building materials, home appliances, and others from related fields.

Awal perjalanan Aditya Sarana Graha (ASG) bermula dari sebuah gagasan sederhana. Kami ingin meningkatkan kualitas hidup melalui penyediaan produk dan layanan sanitasi rumah yang berkualitas dan terjangkau.

Selama perjalanan tiga dekade lebih yang penuh liku, komitmen dan semangat kami terus diuji melalui berbagai rintangan berat dan perjalanan yang terjal. Namun berkat kerja keras, dedikasi, integritas, serta dukungan penuh seluruh pemangku kepentingan, langkah ASG terus berkembang, semakin maju dan mantap dalam berinovasi dan memperbarui diri.

Berkat kemampuan dan konsistensi dalam menerapkan nilai-nilai mulia serta menjaga kepercayaan, kini ASG terus berkembang menjadi grup usaha terintegrasi yang unggul dalam penyediaan produk serta layanan bahan bangunan, peralatan rumah tangga dan produk lain terkait.
