RETAIL

DISTRIBUTIONS

Wasser

Wasser delivers complete bathroom and water solutions for modern homes. From **faucets, showers, basin, plumbing, floor drain, bathroom accessories and fittings to water heaters**, every product is designed for comfort, safety, and everyday reliability.

Water Heater

Designed with **Shock Proof** protection, Wasser water heaters provide safe, reliable hot water for everyday comfort.

Showers

Our shower range includes head / hand showers, shower sets, and shower columns designed for comfort, durability, and modern bathrooms.

Faucet

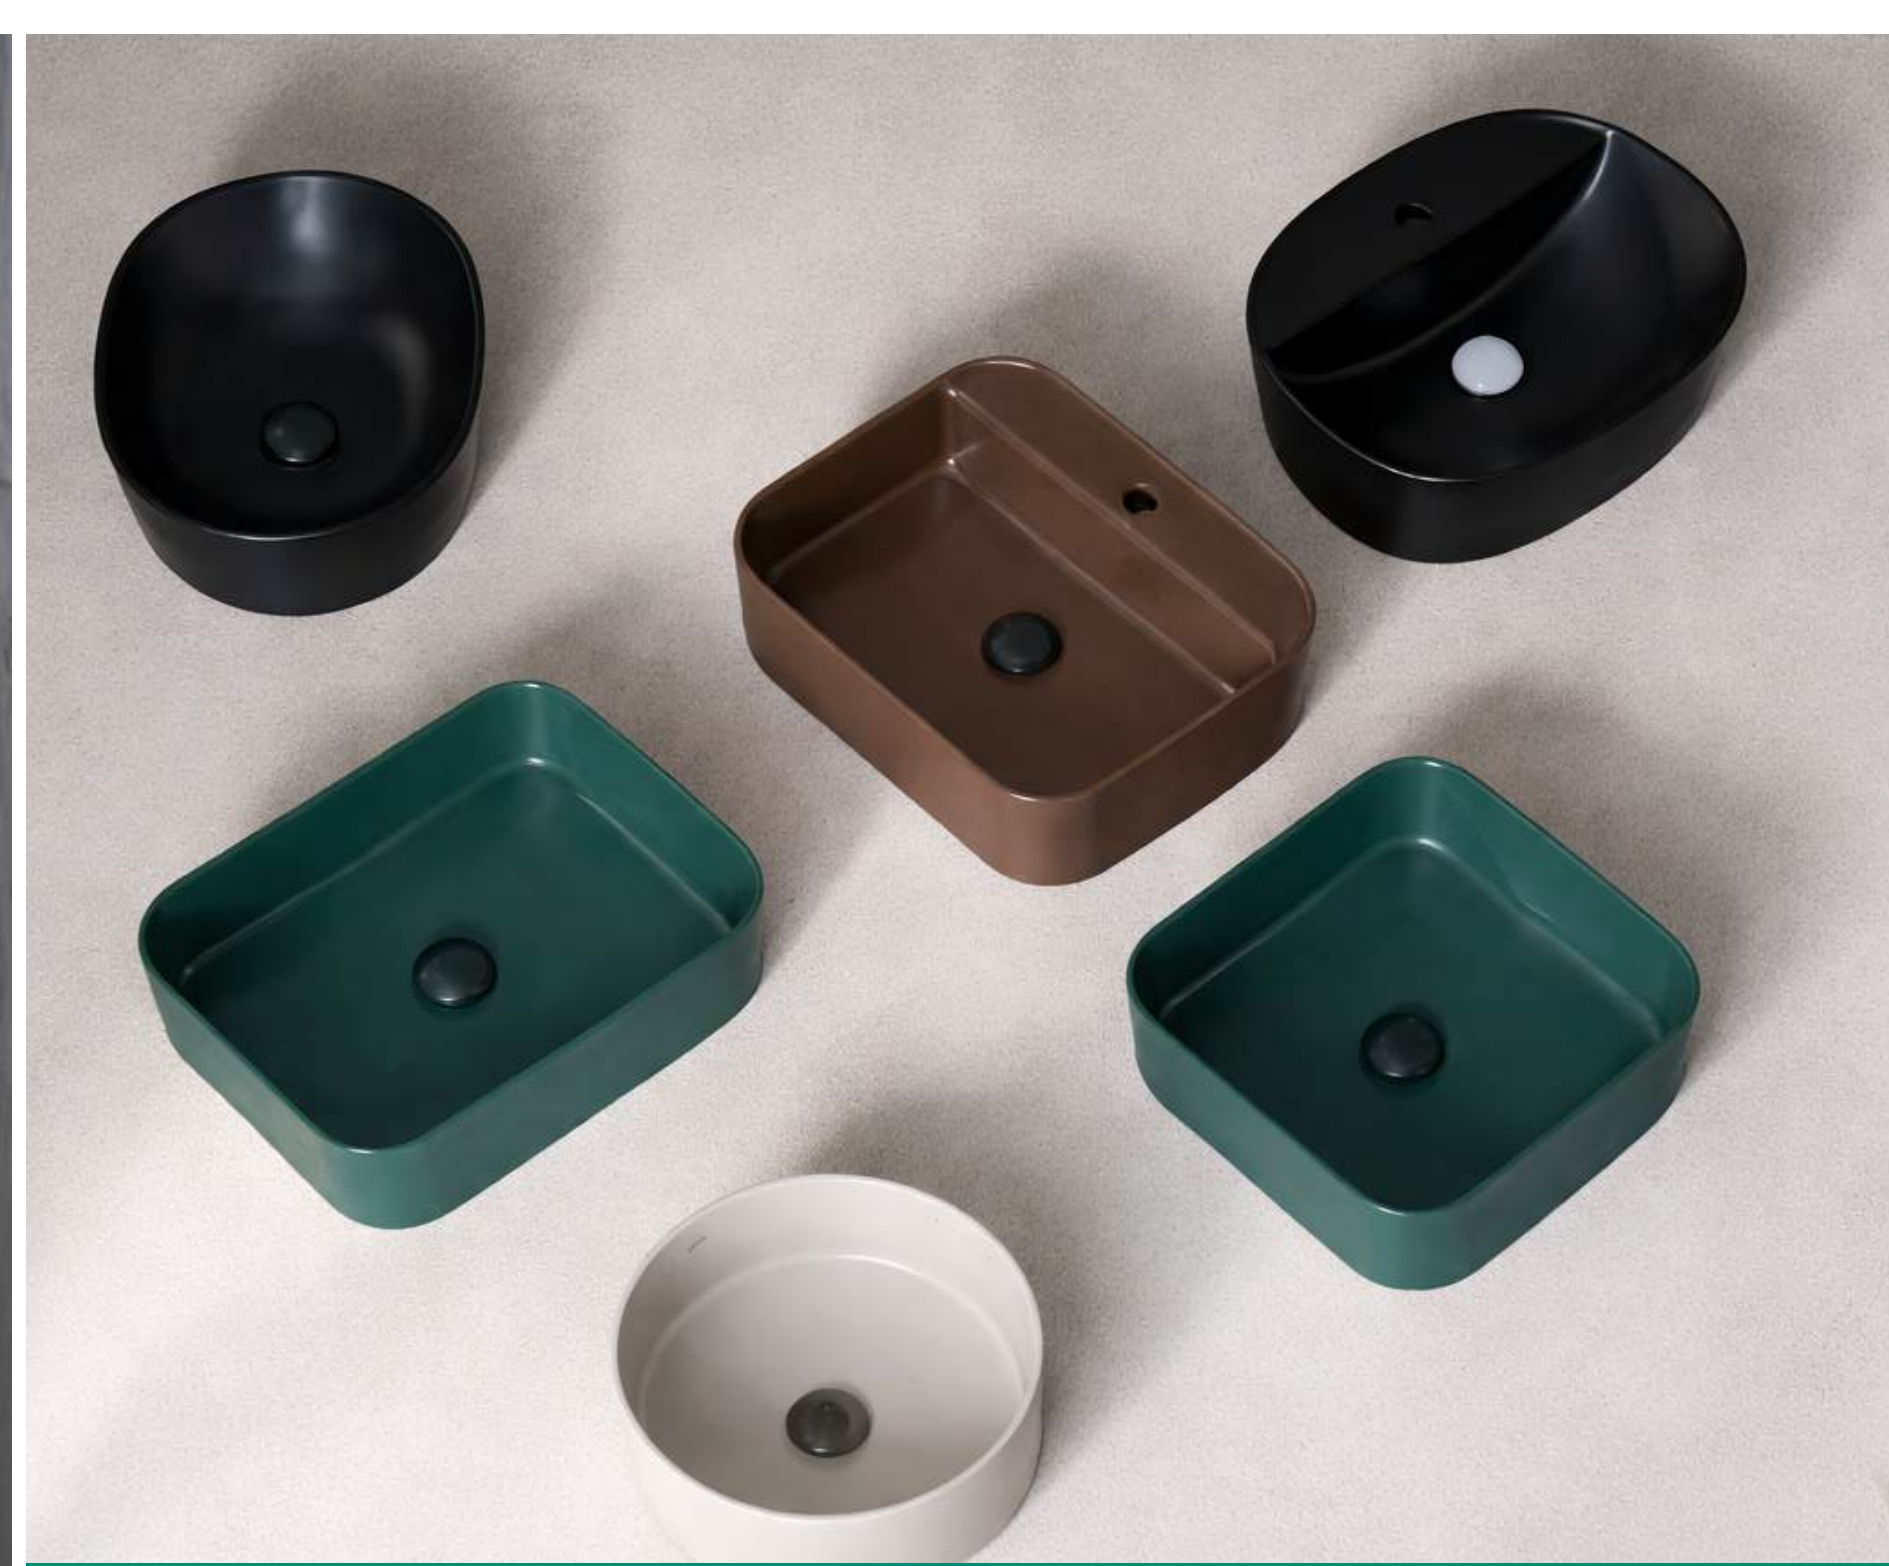

Our faucet collections offer a wide range of types, designs, and color finishes, allowing flexibility to match different bathroom styles while combining functionality, durability, and modern aesthetics.

VC (Vitreous China) / Water Closet

Come in various designs to deliver comfort, hygiene, and modern bathroom functionality.

Basin

A wide range of basin designs and colors to suit modern bathroom aesthetics.

Floor Drain

Combine modern design with efficient water drainage for hygienic and reliable bathroom performance.

Cabinet

All-in-one bathroom cabinet, combine storage and design in one solution, enhancing both functionality and bathroom décor.

Accessories

Complete the bathroom space with functional designs such as **towel bars, tissue holders, hooks and handle bars.**

WasserPump provides reliable water pump solutions for homes, buildings, and water systems.

Our range includes **suction pumps, booster pumps, shallow well pumps, and submersible pumps** for efficient and dependable water flow.

Shallow Pump

Provide efficient water suction and reliable flow for daily household water needs.

Booster Pump

Designed to boost water pressure for a stronger, more stable water flow in your home.

Submersible Pump

designed to operate underwater, delivering efficient and reliable water drainage and transfer.

 **KIRIN**

Kirin provides a complete range of kitchen appliances and cookware for modern kitchens. From **ovens, air fryers, and mixers to pans and kitchen tools**, we make cooking easier every day.

Oven

Equipped with **Heatlock Technology** to retain heat better and ensure consistent cooking performance.

Air Fryer

Designed for quick and convenient cooking, the KIRIN Air Fryer creates crispy meals with minimal oil.

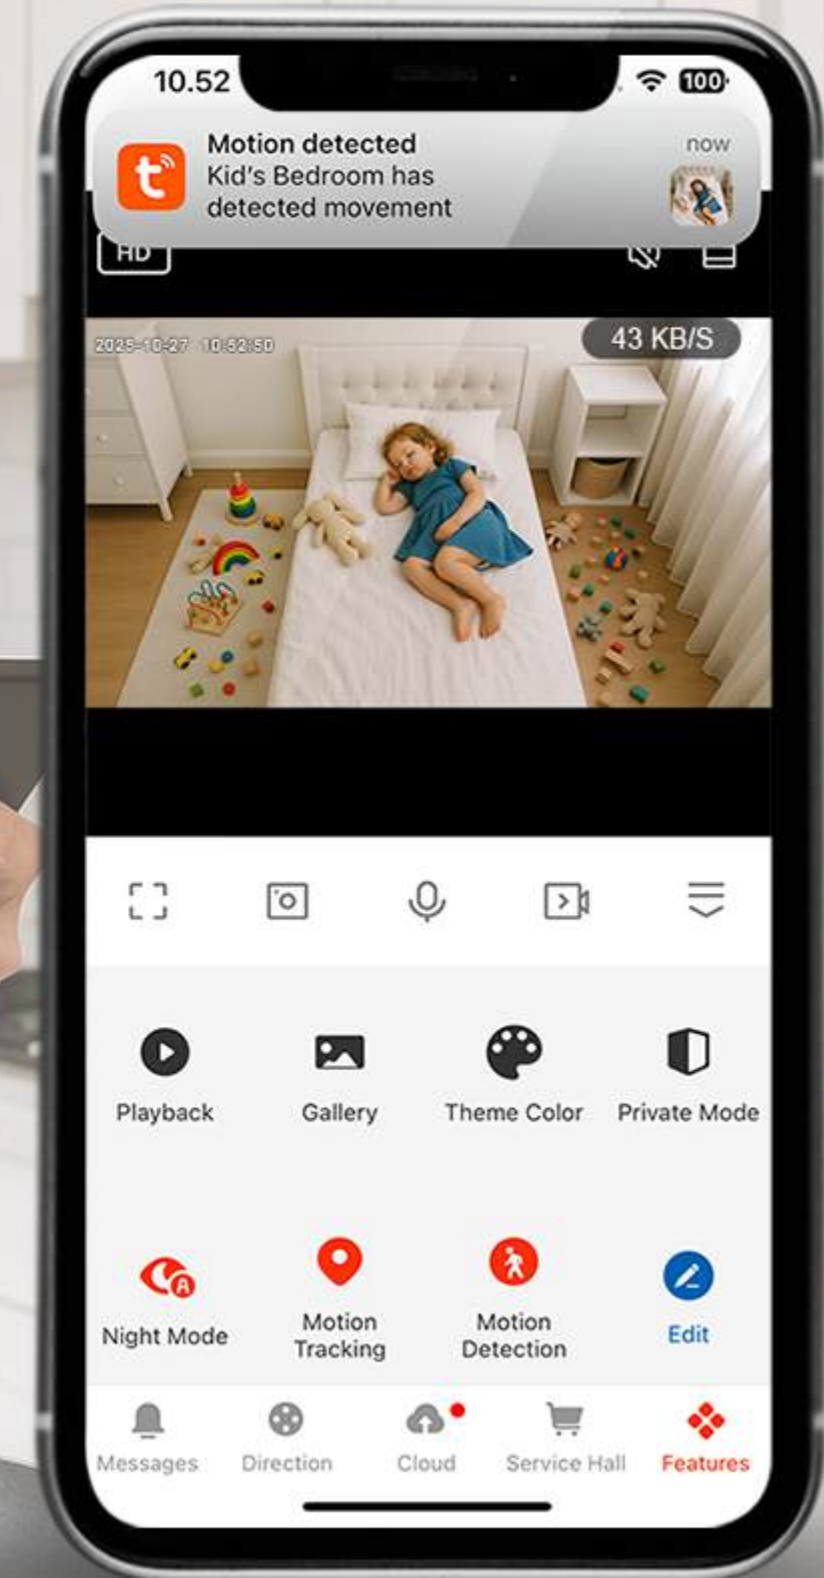

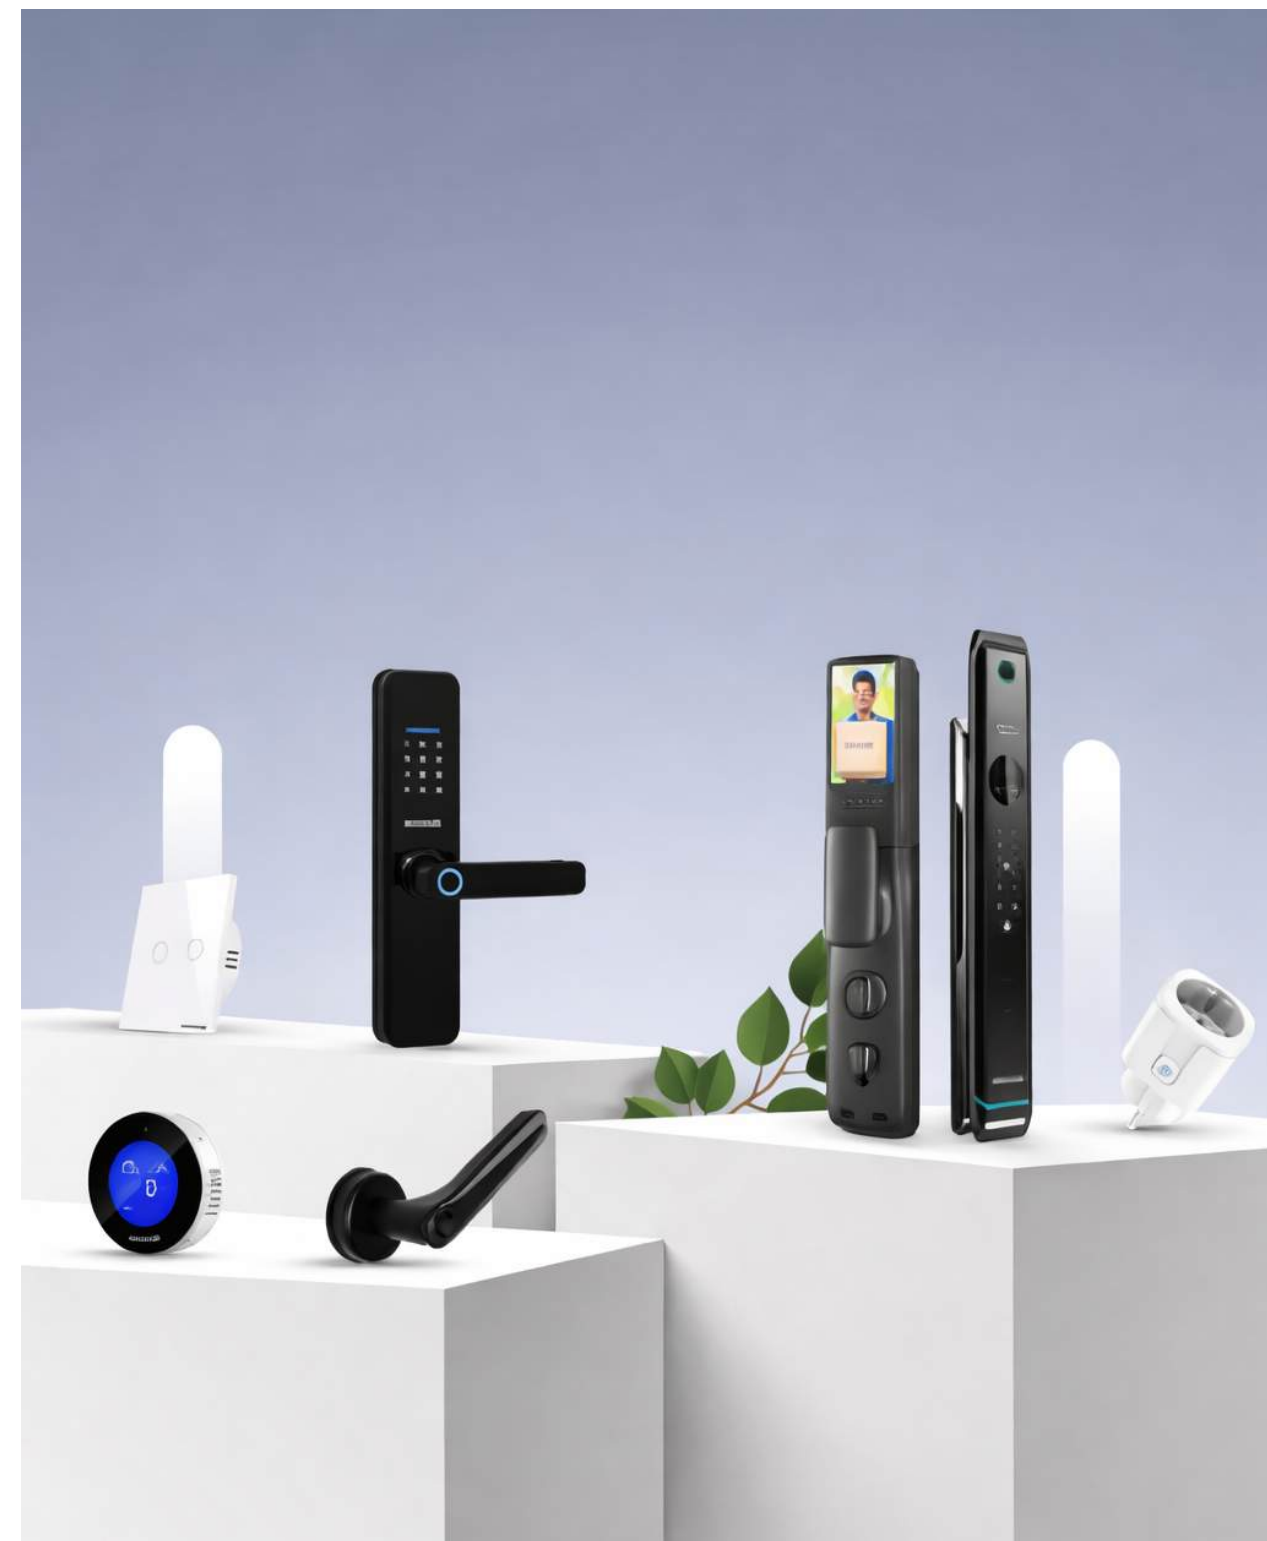

Steamer Cooker

Combines two functions in one set, allowing you to cook rice and steam dishes conveniently.

evomab

Evomab delivers smart home solutions designed for modern living. From **CCTV and smart door locks** to **intelligent sensors**, we bring security and convenience to your home.

Smart Home System

Integrates devices like smart door locks, CCTV, and sensors to create a safer and more connected home.

Handle

Come in various types and designs, combining security, functionality, and modern aesthetics.

CCTV

Provides reliable real-time monitoring to enhance home security and peace of mind.
